

A wristband created by Heartbeat International to promote the life-affirming choices of sexual integrity, marriage, parenting, and adoption.

Q. *Why is Heartbeat International selling wristbands?*

A. To be life-affirming means that you respect the dignity of every human being – starting with yourself. The wristband states your belief that each life is sacred and should be loved and respected before and after birth – during childhood, adolescence, adulthood – throughout life. Life-giving choices include sexual integrity, marriage, parenting, and adoption.

Q. *Why is the wristband green?*

A. Green is the color of life and hope. It symbolizes growth, harmony, and fertility. Green also suggests safety, stability, and endurance.

Q. *Who will wear the wristband?*

A. The wristbands are intended for anyone who believes in life-affirming choices. The wristbands can be used as gifts to clients, abstinence students, volunteers, and donors, and they can be sold to raise money for your ministry.

Q. *How can our center use these wristbands as a fundraiser?*

A. Heartbeat International will be selling the wristbands at minimal cost to you. You can sell the product to others (i.e. individuals, churches, or schools).

Q. *How much do they cost?*

A. The price varies depending on the volume. Please refer to our order form for pricing.

Q. *How will Heartbeat use the wristbands?*

A. Heartbeat will give a wristband to every new donor who gives a gift of \$5.00 or more through a new Web site donation program. We will also give them to other donors. And we will provide wristbands to our affiliates to purchase in bulk.
